Dear Parents

Another term has nearly come and gone, and on reflection we have once again had a huge number of activities happen over the 10 weeks. Thank you for all of your support in all of the many and varied events that have been held.

Tomorrow night Hannah Parker from Year 6 will be representing our school in the inaugural Perth Primary Speakers Award night. This is a new initiative that has been organised by our local member for Perth, Eleni Evangel MLA. There will be 7 primary schools participating on the night and each representative will give a 4 minute speech of their choice which will be judged and scored. I am sure that Hannah will be a fine representative for our school. Thanks to Mrs Trinca and Hannah’s parents in helping her prepare for the event.

On Monday we participated in the Interschool Athletics Carnival at Challenge Stadium. I would like to congratulate all of our students on their performance on the day competing against strong opposition. Everyone gave it their all in all of the events and the team spirit was fantastic to witness. We were the organising school on the day and Miss Wise did a wonderful job of having everything running smoothly, and for someone so young with limited experience it was an outstanding success.

Yesterday we received the sad news that Mrs Alderman’s mother passed away, and we ask that you keep her and her family in your prayers.

Please take time to enjoy the holiday break and we look forward to seeing everyone back on the Monday in two weeks time.

Chris Dunning - Principal

Interschool Athletics Carnival
A big congratulations to all the students who participated in the Interschool Athletics Carnival held at the WA Athletics Stadium on Monday. The attitude and sportsmanship demonstrated by all competitors made me extremely proud to be a part of Sacred Heart.

Thank you so very much to all the teachers, parents and students who have been of assistance not only on the carnival days but in organization and training for athletics this term, both carnivals are large events which have only been made possible by such support. Wishing you all a happy holidays and well deserved break!

Mums Raising Teenage Boys – 14th October

However well-prepared mothers are logically, the emotional response to having a boy is often still, ‘Wow! This is unknown territory.’ It is true that for many mothers, the idea of raising a son carried its own set of worries. As having a boy is often still, premature mothers are usually more inclined to listen.
