Welcome to the Newsletter of Sacred Heart Catholic Primary School.

**PRINCIPAL’S MESSAGE**

Dear Parents,

Next week I will be part of a Principal review panel working at St Augustine’s School in Rivervale. This process takes three days and is part of all Catholic Principal contract processes. The training schedule is now in place for Athletics and the children have been very enthusiastic. A big thank you to Miss Wise and all of her parent helpers and also to Vic our groundsman who has so expertly marked our oval.

Our Year 6 students have over the last few months been fundraising for a very particular purpose. They wanted to get a 3D printer to use as part of their learning. They are researching, with the help of Mrs Trinca, what the costs would be and then planned events to raise the money. They reached their target last week and the printer is on its way. It was fantastic to see their planning and resolve that they put into the whole project and I am so glad that they reached their target.

We welcome into the office a new staff member Mrs Nadia Parsons, who will be in the office on a Monday and a Friday. Please make her welcome when you speak to her. We have relocated Mrs Clynes to one of the upstairs offices so that she can still be made at the front office. A reminder that if you are late to school with your child please sign in with the office before going to the classroom, thank you.

Chris Dunning – Principal

A huge thank you to Father Peter, Miss Cooper, Mrs Ammoscato and all the Year Five families who attended and participated in our Mass. Everyone also looked like they enjoyed themselves at the morning tea that followed afterwards. Family Masses are such a lovely way for our community to come together to share our faith, and spend time together socially.

Aimee Demarte from Year 4, received her First Holy Communion last Sunday, at the Sacred Heart Church. Aimee and her family celebrated this very special occasion during our Family Mass, and it was a beautiful, uplifting ceremony for everyone present. Congratulations Aimee!

Help Make Our Reading Tree Grow  
Mrs Sheehy and Mrs Worner have organised a Reading Tree in the Library.  
To have our tree grow and blossom each child needs to read as many books as possible.  
When you have read your book please tell Mrs Sheehy or Mrs Worner and we will attach a leaf, flower or insect to our tree.  
The more books you read the more chances you have to win some great prizes at the end of term.  
Staff members are also eligible to read some books and attach some leaves.  
Go to it! Read! Read! Read!

Thursday 21st August 6.30-9 $35.00  
This interactive workshop has been designed to support families where anger is an issue. Anger is explained in a way that challenges our labelling of “an ANGRY person” and instead helps us to understand that many of us have simply learnt to react to the emotion of anger in unhelpful ways.

**Parent-Child Connection Monday 25th August x 4 weeks.**

How do you teach children to be wary of potential harm, without teaching them to fear, wrap them in cotton wool, or give them so much information that their innocence and wonder is in jeopardy?

Protective Behaviours Education is a proactive, holistic, whole community approach to teaching life skills to children. It teaches the children themselves language and principles of Protective Behaviour, which helps them identify unsafe situations, and arms them with the tools to either seek appropriate assistance or to protect themselves.

Date: 20th August 2014
Time: 7.30pm
Venue: Sacred Heart School Highgate School Hall

Two Themes of Protective Behaviours:
“We all have the right to feel safe all of the time.”
“We can talk with someone about anything.”
