PRINCIPAL’S MESSAGE

Dear Parents,

A big thank you to the 24 parents who were able to come along to the Safe4Kids parent presentation last night. Mrs Holly-ann Martin covered a lot of different topics all dealing with how to keep kids safe. The emphasis was on prevention and resilience as well as how to develop relationships of trust with our children so that you can have the right conversations with them. The program will be used in the classrooms over the next ten weeks of terms 3 and 4 once a week, supported by Mrs Campos our Social Worker. The website of for more information and products is www.safe4kids.com.au

If you are planning a trip to Bunnings on the weekend go to the Morley store and get a sausage and drink from the front of the store. The P&F are running the booth on Saturday so come down and support the school.

It is great to see the children training hard for the Athletics on a Monday and Tuesday as well as Friday mornings. Thanks to all of the parents who have been bringing their children along to participate with Miss Wise.

How do you teach children to be wary of potential harm, without teaching them to fear, wrap them in cotton wool, or give them so much information that their innocence and wonder is in jeopardy?

Protective Behaviours Education is a proactive, holistic, whole community approach to teaching life skills to children. It teaches the children themselves language and principles of Protective Behaviour, which helps them identify unsafe situations, and arms them with the tools to either seek appropriate assistance or to protect themselves.

Date: 20th August 2014  
Time: 7.30pm  
Venue: Sacred Heart School Highgate School Hall

Two Themes of Protective Behaviours:  
“We all have the right to feel safe all of the time.”  
“We can talk with someone about anything.”
