Dear Sacred Heart Community,

Welcome back to the last term of the year. We have nine weeks of education to complete and I am sure it will go very quickly. Some important up coming events to look out for are our Founders Week next week, special class assemblies, family masses, Sacred Heart Has Talent and AGMs of both the Board and P&F, as well as our usual end of year activities.

This term we welcome back Mrs Goss and Mrs Alderman from leave last term and we said farewell for the moment to Mrs Trinca who will have her baby some time later this term. This term we also welcome to the staff Mrs Linda-Lee Robertson who will be our new Finance Officer.

On the last Thursday of last term Hannah Parker represented the school in the inaugural Perth Primary Schools Speakers Awards. This is a new event that is organised by our local MLA Mrs Eleni Trinca who will have her baby some time later this term. This term we welcome Mrs Goss and Mrs Alderman from leave last term and we said farewell for the moment to Mrs Trinca who will have her baby some time later this term. This term we also welcome to the staff Mrs Linda-Lee Robertson who will be our new Finance Officer.

Over the last term Mr Torrese has been working with our web page host to make sure that it looks fantastic. Mr Torrese took on board a lot of consultation with parents, staff and children and the new look should be easier to find information, look more contemporary and work on all devices. The address is http://web.shpsh.wa.edu.au/, have a look and see what you think.

Regards

Chris Dunning – Principal

THE GREAT GRAND FINAL HOMEMADE LEMONADE
SALE!
A HUGE Thank you goes to Lachlan (Year 2) and Myles (Year 4)
Brown, who have once again selflessly given up free time in the
holidays, to make and sell delicious homemade lemonade, in order to
send the proceeds to the children at St.Mary’s Shanti Sadan School in
Central India. Over the Grand Final weekend, Myles and Lachlan's
family made and sold lemonade, raising $31.50. What a wonderful
effort! The money has been very gratefully received by the OLM
Sisters, and will be put to very good use. Well done Myles and Lachlan,
we are very proud of you. Mrs Anna Sheehy (Assistant Principal)

P&F Meeting: Wednesday, 15th October - School Library 7.30pm.
All Stars disco: Friday, 24th October - attendance slips and
payment to be returned to the school office by no later than this Friday,
17th October. Donations of bottled water can be placed in the school

P&F Office bearers and committee members: The P&F does a
valuable job in our school community and your support is required for
the Sacred Heart P&F office bearer positions of President, Vice-President, Secretary and Treasurer in 2015. Nominations can be
made at the P&F Annual General meeting which will be held on
Wednesday, 26th November from 6.30pm in the School Hall. If you
have any interest in nominating for these positions or as a general
committee member please don’t hesitate to contact one of the existing
office bearers or your P&F class representative. The P&F need you!

Swimming training: Swimming training in Term 1 of this year saw
a fantastic improvement in the standard at the school swimming
carnival and at the inter-school swimming carnival where Sacred
Heart was awarded “Most Improved”. The children put in a great,
competitive effort! Recognising this, the P&F will be funding the hire
of one lane at Beatty Park on Monday afternoons (3.30pm to 4.30pm)
and Friday mornings (7.30am to 8am) commencing week 2 for Yr 3
upwards (entrance fees will apply but spectators (parents/guardians)
should not be charged). The P&F have also purchased 20 kickboards for
use at swimming training – these should help those who are not strong
swimmers! A special thank you to Mrs Alderman, Sonia Koroll and
Clairey Lance for their time and expertise in helping the children
improve their swimming skills.

Upstairs water fountains: The P&F are investigating the
installation of water coolers which should be installed during term 4.

Fundraising: Bubbler Deals: Recently the P&F received a cheque
from Bubbler Deals as part of their community fundraising. If you
purchase a voucher from them you just need to nominate Sacred Heart
Primary School Highgate and we will receive 5% (See attached flyer).

School Bags - Old style school back packs are available at $60 and new
trolley bags (no school logo attached) are now available at $75. Please
see the office staff if you would like to make a purchase.

School banking: Thank you to all our diligent School Bankers for
their banking efforts last term. It was great to see the children so
excited to make their deposits to be in the prize draw. Even though our
Term 2 figures were great, in Term 3 our number of deposits increased
by 27%, the amount deposited increased by 45% and we had 11 new
accounts activated. This will result in a significant increase in the
commission the bank pays us. I will provide figures as soon as I receive
them! Please keep the momentum going and encourage your children
to keep up their great savings habit. As a further incentive, the bank is
running another competition this term. Please see the attached flyer for
information.
School Banking takes place every Tuesday morning in the library from
8.30-9am. For any school banking queries, please contact Linda Manno
on 0408 935 702.

GirlPower is a friendship program that inspires “Tween” girls (6 to 12 years old) to feel empowered, develop a strong sense of self, and love themselves while learning to manage the most important things to them...their friendships.

Transform your school climate by having GirlPower workshops for girls in Years 1 to 7 or a parent and daughter program. Girls will learn the Friendship Facts, how to use the Friendship-o-meter to assess friendships, and how to put out those common Friendship Fires. GirlPower empowers girls with the skills, language, and self-confidence to be better friends and develop healthier friendships. Parents will learn a new “language” for talking about friendship, helping them to connect with their daughter and open up the lines of communication.

KEYNOTE AND WORKSHOP

David’s talk highlights the challenge facing all parents and educators in how to best support children for a future where we cannot predict what jobs will exist. The much talked about 21st century skills require us to re-think the way we interact, teach, and use social, formal and informal learning.

Partnership mindset between educators, students and parents must be strong if we are to develop the skills with students that are necessary for student success. This workshop explores:

- What does learning look like in schools today and in the future?
- What should an education worth having be and look like?
- How do we challenge and change attitudes, beliefs and behaviours that inhibit effective partnerships between parents, teachers and young people in learning and schooling?
- Strategies of connecting and collaborating to achieve the best outcomes for student learning.

This workshop for parents and educators, explores perceptions, beliefs and attitudes around education. Are we creating an education worth having? Are we developing partnership mindset to enhance student learning?
